

Product Data Sheet

SORB^{®XT} Absorption Mat

Article	SORB^{®XT} AM
Article No.	100617
Dimensions (mm)	30.000x400
Weight	5,45KG
Absorption capacity	47,00L

Product Information:

Recommended use

- for use on solid ground surfaces (outside and inside)
- large-scale protection of s oil and factory grounds
- can be cut according to specific requirements
- also for preventive measures for longer periods
- absorbs all kinds of oils, fuels, coatings, lubricants and other volatile substances

Application

- place the mat below the area, where contaminated substances are likely to spill (for example train tracks, factory sites or under large machinery and trucks)

After application

- collect the contaminated blanks
- dispose of following the respective valid laws and local regulations

Storage

- store in a dry place with low humidity

Properties

- slip resistance
- PE-foil at bottom side prevents penetration in grounds
- highly absorbent; can be thermally recycled
- hydrophobic
- similar to the Oil Mat, but also absorbs water and chemicals
